RE: Struyk Ave & Savoy Pl. Improvements

Dear Property Owner/Tenant:

Please be advised that on or about November 6th, 2017, a road improvements project for the following streets is scheduled to begin:

Street Name	Limit's
Struyk Avenue	Entire Street
Savoy Place	Entire Street

The work to be done on this project includes spot fixing of curbs and sidewalk, reconstruction of handicap ramps as per ADA standards, roadway milling and resurfacing. Work hours will be from 7:00 A.M. to 5:00 P.M. It is expected that this work will be completed over a period of four weeks, weather permitting.

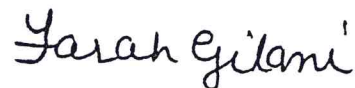

During construction no vehicle will be allowed within immediate work zone for public safety reason. The contractor will notify the residents if they need to park their cars outside the work area.

Please arrange to have any lawn sprinkler heads, roof drains or underground electric located and prominently marked. Residents will be notified 24 hours prior to the scheduled paving activities.

The contractor for this project is Stanzilae Construction of Bloomfield NJ.

If you have any questions about this project, please contact our Community Liaison Ms. Monet Sarchio at (201) 645 1192. Thank you for your cooperation in this matter.

Very truly yours,

Farah Gilani, PE, PP, CME
