Greetings Prospect Park Residents & Businesses,

My wish for 2021 is that we continue to enrich the elements that make us unique as a community. Despite the pandemic, our beautiful borough still managed to maintain the highest level of community standards in our daily operations while making significant infrastructure improvements that complements a great quality of life that we have come to expect and enjoy. Our efforts have resulted in more practical solutions for our ever changing world, and together, no matter the circumstances that we all shall face, we will continue to work diligently and purposefully to ensure that our community is safe, proactive, and inclusive for all.

The hard work does not stop with our municipal employees and the Governing Body though. As your Mayor, I have immense pride in the quality of work our community volunteers have rendered as they are the cornerstone of what makes us thrive every day. If you are one of the few who have not yet been invited to be part of our community committees, I welcome you to join us this year!

As we enter into 2021, let us resolve to become closer despite the restrictions imposed on us to be physically apart. For as different as our world may continue to become, and the uncertainties not yet revealed, I and the Governing Body will continue to work tirelessly to make sure our community is kept as the highest priority in every decision executed. We look forward to supporting your successes and above all, wish you happiness and good health as we will move forward together.

Sincerely,

Mayor Mohamed T. Khairullah

Borough of Prospect Park
Recreation Department

The Recreation Department strives to improve the quality of life for all the residents of Prospect Park through innovative, exciting, and effective programs and events. The Recreation Department enlists the feedback, support and help of the Recreation Advisory Committee. All residents interested in participating as a member of the committee are encouraged to contact the Recreation Office. Nestled in the northwest corner of the Borough is Hofstra Park, a 70 acre wooded refuge and recreational complex. The park is home to Camp Hofstra Summer Day Camp. Within the park are two baseball fields, a multi-purpose/soccer field, children's swings and playground gym, a pavilion, basketball courts, a tennis court, a walking/bike trail, and the jewel of the property, the Spray Park. The Spray Park is open seasonally on the weekends and is open 7 days a week during the school break in the summer. For further information on any of the facilities, programs and events, please contact:

Recreation Office: (973) 790-7902 EXT. 516

What You Can Do To Help Protect Our Water

Clean and plentiful water is important to our families, our environment, our economy and our quality of life. Did you know that animal waste from pets can pollute our waters? When left on the ground, pet waste is washed by rain and melting snow and ice into storm drains that carry it to our rivers, lakes, the ocean and drinking water.

Animal waste contains a high concentration of nutrients as well as bacteria and disease-causing microorganisms that can cause problems.

What YOU can do

Pet Owners or anyone who takes your pet for walks must properly dispose of the waste by picking it up, wrapping it and either placing it in the trash or flushing it unwrapped down the toilet.

Your municipality is required to adopt and enforce local pet-waste laws. At a minimum, your community must require that pet owners or their keepers immediately and properly dispose of their pet’s solid waste deposited on any public or private property not owned or possessed by that person. People with assistance animals such as Seeing Eye dogs are exempt.

Make sure you know what your municipality requires - and follow it. Thank you for doing your part to keep New Jersey’s waters clean.

solutions to **STORMWATER POLLUTION**

**A Guide To Healthier Habits for Cleaner Water**

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey’s greatest threats to clean and plentiful water, and that’s why we’re all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it’s dirty.

As part of New Jersey’s initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

---

**Limit Your Use of Fertilizers & Pesticides**

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizer if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it. Make sure you properly store or discard any unused portions.

---

**Properly Use & Dispose of Hazardous Products**

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives if possible.
- Contact your municipality, county, or facility management office for the locations of hazardous-waste disposal facilities.
solutions to **STORMWATER POLLUTION**

**Don’t Litter**
- Place litter in trash receptacles.
- Participate in community cleanups.

**Don’t Feed Wildlife**
- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

**Keep Pollution Out of Storm Drains**
- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
- Do not let sewage or other wastes flow into a stormwater system.

**Dispose of Yard Waste Properly**
- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

**Clean Up After Your Pet**
- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people’s property.
- Make sure you know your town’s or agency’s requirements and comply with them. It's the law. And remember to:
  - Use newspaper, bags, or pooper-scoopers to pick up wastes.
  - Dispose of the wrapped pet waste in the trash, or unwrapped in a toilet.
  - Never discard pet waste in a storm drain.

Recycling Rules and Regulations

PROSPECT PARK RECYCLING DAYS ARE ALTERNATING SATURDAYS. Instead of recycling collection being the first and third Saturday of each month, recycling collection is now every other Saturday.

PROSPECT PARK ADHERES TO SINGLE STREAM RECYCLING. Recyclable materials can be placed sorted in the same container for pick-up. Cans, bottles, and plastics are collected together with paper and cardboard. Recyclable material must be separated from waste (garbage).

FOR CURBSIDE PICK-UP, THE ACCEPTABLE RECYCLABLE MATERIALS INCLUDE:

- All mixed paper – Newspaper, magazines, flyers, brown bags, telephone books, junk mail, office or computer paper
- Cardboard Boxes of All Types – All brown corrugated cardboard, tissue boxes, paper towelltissue paper rolls, cereal boxes.
- Metal – Aluminum cans and steel (tin) cans. All cans must be emptied, rinsed and drained clean.
- Glass Containers – Glass containers and jars. Containers must be empty, rinsed and drained clean.

Unacceptable Recyclable Materials Include:

- No plastic bags of any kind
- No wax cardboard
- No shredded paper
- No coolers, electronics, drain pipes or toolboxes
- No frozen food microwave trays
- No pesticide/chemical containers
- No paint containers
- No Styrofoam of any kind
- No hard board
- No food trays or party platters even if stamped with #1, #2 or #5
- No rubber hoses, flower pots, or plastic toys of any kind
- No mirrors, windows, auto or plate glass
- No light bulbs

ELECTRONICS WASTE RECYCLING

THE BOROUGH OF PROSPECT PARK AS OF JANUARY 2020 WILL BE COLLECTING ELECTRONIC DURING SCRAP METAL PICK UP TV, COMPUTERS. PLEASE SEE CALENDAR SCHEDULE FOR DAYS.

On January 1, 2011 the Electronic Waste Management Act went into effect. TVs, computers and monitors are no longer allowed to be thrown into the trash; they must be disposed of properly. The Passaic County Office of Solid Waste & Recycling Programs provides several computer and electronics collection events throughout the year for residents to dispose of their unwanted electronic goods. For more information or the find out the 2020 electronics waste collection dates, please call 973-305-5738. Acceptable electronic items include: computer systems (monitors, hard drives, etc.), modems, telephones, copiers, printers, fax machines, ink-jet and laser jet toner cartridges, video games and systems, stereo systems, televisions, cell phones, DVD players, VCRs, floppy discs, and radios.

Unacceptable electronic items include: refrigerators, freezers, air conditioners, washing machines and dryers.

SCRAP METAL
All scrap metal must be separated from waste and placed at curbside for collection. Scrap metal items, e.g. hardware, hand/motorized tools, garden and lawn equipment, metal file cabinets, etc. are acceptable "AS IS" except small items such as nuts, bolts, small tools, which must be placed in a rigid container, which will be emptied and returned to curbside for reuse. Curbside pick-up dates for 2020 are the 1st and 3rd Wednesday of each month. (Please refer to the calendar for the accuracy of the dates.)

MAJOR HOME APPLIANCES
Major home appliances, as stoves, refrigerators, washers, dryers, air conditioners, water heaters and empty propane tanks can be put out for curbside collection on the 1st and 3rd Wednesdays of the month. For questions, please call the DPW Supervisor at 973-790-6151 and leave a message. Appliances must be placed at the curb. Remove refrigerator and stove doors.

GRASS
Grass is prohibited for curbside pickup and cannot be mixed with garbage. Save work and save tax dollars - just cut it and leave it or use it in the garden around plants and shrubbery. If you are contemplating the purchase of a new lawn mower, please consider buying a mulching mower. It virtually pulverizes the clippings. For details or to arrange a demonstration, call the Recycling Coordinator.

TIRES
Tires must be disposed of privately.

LEAVES
Must be placed in biodegradable bags**, rigid waterproof containers (barrel), or may be raked into piles at curbside at least 10 feet from storm water basin for collection during the months of November and December. Collection will be on designated NO PARKING (Street Cleaning) days. (Leaves are not meant to be mixed with tree branches, garbage, or waste of any kind). NO PLASTIC BAGS.

**Biodegradable bags are available for purchase at the Municipal Building for a nominal fee.

YARD WASTE
Only during the scheduled months of April, May and June, yard waste will be picked up at curbside. Collection will be on designated NO PARKING (Street Cleaning) days. Yard waste includes tree branches and brush, NOT vegetables, plants, grass clippings, leaves or weeds.

USED MOTOR OIL / ANTIFREEZE
Used motor oil from motor vehicles and lawnmowers should be placed in clean plastic containers and delivered to an authorized dealer or center (service stations, which do State DMV inspection or chain stores that provide lube and oil change service). Watch for household HAZARDOUS WASTE COLLECTION DAY schedule.

USED CLOTHING
Instead of putting used clothing in the trash, please donate discarded clothing to a non-profit organization.

FOR BUSINESS ONLY
Businesses must comply with the same recycling regulations as residents, except that proprietors must arrange for recycling of corrugated, chip board and trade waste at their own expense. All proprietors must obtain weight receipts from the hauler/recycling dealer and forward copies to the Borough Clerk on a quarterly basis or instruct the contracted vendor to do so on their behalf.

CONSTRUCTION BUILDING MATERIALS
BUILDING CONTRACTORS OR "DO-IT-YOURSELF": Recyclable alteration/Construction Demolition material such as wood, roofing shingles, asphalt, concrete, etc. must be disposed of privately, then delivered to a recycling facility and copy of the weight receipt must be forwarded to the Borough Clerk/Building Department.

Collection Schedule: paper (mixed), brown corrugated/gray cardboard (chipboard), glass, aluminum, tin, and plastic will be picked up on every other Saturday starting at 7:00 AM. Please place recyclables at the curb the night before collection.

Missed Pickups - CALL 973-227-7020 preferably before 10:00 PM.
